

Use Fritz-Pak Admixtures to Create Your Concrete Canvas

SUPERCIZER 5 - Superplasticizer for a strong, smooth slab.

MINI-DELAYED SET - Use to retard different portions of the pour, perfect for "Step Retardation".

CONTROL FINISH - Flatwork finishing aid for a perfect surface for stamping or staining. Reduces cracks.

NEW! COUNTER-FLO - Admixture for durable, smooth, high-strength concrete designed for concrete countertops & other small pours.
